# Proofreading for Spelling

Find the misspelled words and circle them. Write them correctly on the lines below. (2 points each)

Today my cartoons are printed in newspapers from coast to coast. Twenty years ago, when I was in fifth grade, they ran in just one—my school paper, the *Spy*. As I sit by my fireplace, memorys of the awards ceremony that year make me feel even cozyer than the fire does. Before I get drowzier, I will relate that earlyer event. I had abilitys in drawing. My dutyies for the paper were to write and illustrate a cartoon about the icyest bigfoot creature I could create—the greedyest monster ever drawn. I wanted it to make readers feel horriffied and terified. My wish was not denyed. I received the award for scaryest cartoon that year. It was the first of several trophys that I have earned and the most satisfying of my victoryes. Its reflection casts the lovliest glow into my studio.
